- Lean Six Sigma deployment

## Ground Report

Annai Velankanni College in association with ICT Academy has organized a webinar on 'Time Management' on 12<sup>th</sup> October 2021 at 11.00 am through Google Meet. The session was live streamed to all department first year students through respective smart classroom. The prime intention of this webinar is to bring the first year newly joined students closer towards the value based college learning in college atmosphere. As per the schedule, the webinar began exactly at 11:00 am with a welcome address by Mrs. Anita Mary, ICT member. Following that, Mr. Benadict Rajan, softskills coordinator, has introduced the resource person Mr. S. Durai Babu, resource person for the session. The resource person has started the webinar by thanking the opportunity for the webinar. He described the importance of time management and its relation to lifestyle of students' learning atmosphere and also talked about the various time management concepts that would help the students to manage the time effectively.

The speaker has elaborately discussed about various implications of time management and their considerations in real life tasks, and also delineates different proven methods to plan the time efficiently. She encouraged the session to be more interactive by asking questions on how the time is effectively utilized in a day. Students have interacted with him through smartboard and they are very responsive to the speaker's queries. This webinar is informative and expressive and act as a guiding force for the students as the speaker dealt the concept with real life experiences. And finally, M Benadict Rajan has expressed the vote of thanks thanking the management, principal, IQAC coordinator, and the organizing team. Thus, the session comes to an end at 12:00pm
