WORKSHOP ON FOOD PROCESSING

Department of Biotechnology organized a One Day Workshop for both UG and PG students on 30/01/19 at College Auditorium from 10 am to 3.30 p.m. This interview was conducted by Mr. T.K. Chellan, General Manager and Mr. S. Paul raj, Trainer from PALMA Peoples organization. Totally 93 students were Registered. Initially awareness was given by Mr. T.K. Chellan about the importance of natural food. Afterwards Workshop was started at 10.30 am and ends at 3.30pm.

Dear Sir / Madam,

The Undergraduate, Postgraduate and Research Department of Chemistry, Annai Velankanni College, Tholayavattam is organizing a National Symposium on 'New Dimensions in Chemical Research' (CHEMINO - 2019) on 7th and 8th February 2019. We whole heartedly invite you to participate, contribute and interact in the symposium. Kindly bring this opportunity to the notice of the faculty members and students.

Our College

Annai Velankanni College, Tholayavattam, Kanyakumari District was started in the year 1987. The College is owned by 'Friends of Kottar', a registered Charitable Society. The College aims to train students to high academic standards, particularly of the rural and underdeveloped areas. The College intends to give greater importance to the development of personal and intellectual integrity and to the application of ethical and humanitarian values in life. The Institution offers ten UG, eight PG, six Pre-Doctoral and four Doctoral degree courses.

Our Department

The Department of Chemistry was established in the year 1989. It became a PG Department in 1993 and was elevated to Research Department in 2014. The Department has been producing knowledge enriched, professionally competent students with University ranks. Ever since the inception, by the dedication and efficiency of the faculty members, the Department has become strong and viable. The Department has always retained its excellence which was immensely contributed to the name and fame of the College.

About the Symposium

The Symposium aims to provide vibrant opportunities for researchers /students to share their research experiences, research results, ideas, review of various aspects and practical development experiences. We are hopeful that researchers who are working on related issues will gather and move forward to work together for betterment of the world.

The symposium mainly focus on the following topics which include invited plenary and topical lectures of eminent researchers from various institutions.

Polymeric and composite materials
Organic synthesis
Inorganic materials
Thin film
Medicinal Chemistry

Nano materials
Smart materials
Sensors

Environmental analysis

Forensic chemistry and Miscellaneous

Interested participants should submit their original research work in the topics mentioned above in the form of an abstract in text format not exceeding 250 words and send to chemistryavc@gmail.com on or before 23-01-2019. Selected papers will be published as proceedings with ISBN & UGC Approved Journals on payment basis.

Guidelines for Preparation of Abstract and Paper / poster

Title of the paper should be in Bold, Times New Roman font size 12. Author name with initials in capital should be one space below with font size 10, Affiliations and addresses of authors should be in font size 9. All the above matters should be centered. The body of the abstract should start with two spaces below the address with 1.5 line spacing in font size 12.

NATIONAL SYMPOSIUM ON 'NEW DIMENSION IN CHEMICAL RESEARCH'

(7/2/2019 & 8/2/19)

The two days national Symposium on 'New Dimension in Chemical Research' was conducted on 7/2/2019 & 8/2/19. The Inaugural session started at 10 AM. Dr. S. Mary Helen, HOD of Chemistry welcomed the gathering, Mr. A. Mariadhas, President, AVC, presided over the function. Rev. Dr. E. John Kulanthai, Correspondent, AVC, gave the Inaugural address and Dr. B. Alex Johnson Paul, Treasurer, AVC, and Dr. J. Johnson, Principal, AVC gave Felicitations. After the Inaugural two special lectures were given by the resource persons. Dr. T. P. D. Rajan, Senior Scientist, Material science and Technology, NIIST, Trivandrum and Dr. C. Elizebath Rani, HOD, Department of Biotechnology, Hindusthan college of Arts and Science, Chennai. Paper and Poster presentation competitions were conducted.

On 8/02/2019 two sessions were conducted. The Resource Persons are Dr. R. Rajesh Kannan, Scientist E-Head, Molecular and Nano Medicine Research Unit, Centre for Nano Science and Nanotechnology, Sathyabama Institute of Science and Technology, Chennai, Dr. Jobin Cyriac, Associate Professor, Department of Chemistry, Trivandrum. This was followed by the Valedictory Session. Many Staff Members and students from other colleges also participated in Symposium and Paper presentation and got benefitted. Feed back was collected.
