Eye Checkup and Eye Donation Awareness Camp Report

Annai Velankanni College, National Service Scheme and Eye Foundation, Tirunelveli organized an Eye Checkup and Eye Donation Awareness Camp on 19-10-2021 from 9.30 A.M to 2.00 P.M. at Our Lady of Assumption Church, Mathravilai. The camp was inaugurated by Rev.Fr.Justin Prabhu, Parish Priest Mathiravilai. Dr.M.Xavier James Raj, President, Annai Velankanni College, Dr.Gladys Lily, Treasurer, Annai Velankanni College. Dr.J.Johnson, Principal Annai Velankanni College visited the camp. A set of medical teams from Eye Foundation, Tirunelveli conducted the camp. The camp was organized as two parts, eye checkup and conducting eye donation awareness competitions.

In the eye checkup camp, it was assured to provide spectacles and treatments to the needy people.73 local people were benefited in this eye checkup camp. The eye donation awareness competitions were held to three age groups, below 10 years, 11 to 15 years and above 15 years. For the first two age groups drawing competition was conducted and for the third one, essay writing in respective titles. 43 members participated in the competitions. Prizes were awarded to first three winners in each group and participation certificate was issued by Eye Foundation Tirunelveli to all participants. 25 NSS volunteers with three NSS Program Officers of Annai Velankanni College and 18 Youth from Mathiravilai voluntarily supported the camp.

Report on Vigilance Awareness Week 2021

Objective: To make the students and public, aware of corruption free India

As per the proposal from the Directorate of vigilance and Anti-Corruption, Chennai, to observe Vigilance Awareness Week 2021 (From 26th October to 1st November 2021) The students under the guidance of staff conducted awareness programmes on 29.10.2021. Street plays were played inside the campus. Oath on Anti-corruption was taken by the staff and students in the presence of Vigilance Department Officials.

In order to reach the public, a team of students performed Oilattam, Chilambam and played a Street play at Marthandam Bus Stand and before the RDO office, Thuckalay.

More than 700 students attended the programme.

Following this an essay writing competition under the theme "Independent India @ 75: Self Reliance with Integrity" was conducted for the students. Ten students from various departments participated in the competition. Best three essays were selected for award of Prize.

Department of Business Administration-Extension Activity Report

Extension activities concentrates on putting across in an understandable manner new ideas and improved technologies of practical utility to the rural, tribal, urban privileged and underprivileged people. Extension is also a learning-teaching method connect meaningful community service to academic curricula. In order to that for this academic year we have made a tie-up and adopted Parakanaivilai village in Nattalam Panchayat for doing our extension activity.

As a first step in this year our department celebrated the Deepavali function by issuing mask and sweet box to Health Workers of our adopted village Nattalam Panchayat in Parakanaivilai on 2-11-2021 and deepavali message was given by the Panchayat Officer.

ANNAI VELANKANNI COLLEGE, THOLAYAVATTAM Accredited with B++ by NAAC (Approved by UGC under selection 2(f) & 12(B) status) Department Of Biotechnology Extension Activity Report Academic year 2021-2022

Name of the program	ł	Extension Activity
Title of the programme	:	Mask distribution to the society and sweet distribution to
		the cleaning workers
No. of participants	:	85
Date	3	02-11-2021

The research department of biotechnology organized an extension programme on 02-11-2021 at Pootteti. Staff along with students, went to Paloor Panchayat office and distributed sweets to the cleaning workers in Pootteti area followed by awareness about the effect of plastic was organized and mask were distributed to the panchayat office cleaning workers and to the society people

We met the president of Pootteti Panchyat he asked give as to an awareness to the people in the pootteti surrounding people about the effect of plastics as per our early discussion. Students were separated as groups and sent to the village houses along with their tutors to give awareness about the use of plastics in home .People in the Pootteti village towards the students was well and assured that they will try to reduce the use of plastics in home and use cloth bags or degradable bags instead of plastic bags. The students insisted the public to change plastic bags which are kept in refrigerator to preserve vegetables People use plastic bags to carry items like food and clothes, which are brought from shops. Plastic bags are commonly used, even though we know they can damage the environment. This has resulted in many detrimental environmental effects including animal choking, pollution, blockage of channels, rivers and streams and landscape disfigurement.

Plastic pollution is the most widespread problem. When we burn plastics it also causes many problems in the environment. So people should have some awareness about the harmful effects of plastics. Our students explained to the people about the harmful effect of using and burning plastics when we used at home. The burning of plastics releases toxic gases like dioxins, furans, mercury and polychlorinated biphenyls (better known as BCPs) into the atmosphere and poses a threat to vegetation and human and animal health. Burning of plastic waste increase the risk of heart disease, aggravates respiratory ailments such as asthma, and emphysema and cause rashes, nausea or headaches and damages the nervous system. Students of our department very actively and enthusiastically involved in the awareness program and give awareness to the people around there.
