Accredited with B++ grade by NAAC, Approved by UGC under 2(f) and 12(B) status

Department of Physics

Report of the State Level Lecture Workshop on Spectroscopy and its perspective (2019-2020)

The Department of Physics organized one day “State Level Lecture Workshop on Spectroscopy and its perspective” on 12-02-2020. We started the Lecture Workshop with inaugural function at 10.00 am. The function started with a prayer song. Dr.Y.Samson organizing Secretary of the workshop welcomed the gathering. Rev.Fr. Dr. E. John Kulandai, correspondent of the college gave the inaugural address. Dr. J. Johnson, Principal of the college felicitated the function. Dr.A.Rejo Jeice gave the vote of thanks.

In the technical session I the Resourse Person Dr.S.A.Martin Britto Dhas, Assistant Professor, Sacred Heart College (Autonomous), gave a talk on “Spectroscopy”. In the technical session II Dr.M.Amalanathan, Assistant Professor, Nanjil Catholic College of Arts and Science, Kaliyakkavilai gave a talk on “Vibrational Spectroscopy”. The program came to an end at 3.30 pm. 205 students participated in the workshop.

WEBINAR - REPORT

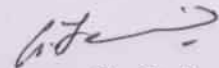

DATE: 05.12.2020

VENUE: Google Meet

Annai Velankanni College, Department of Commerce has conducted one day Webinar on “**Personal Development Goals Related to One’s Career and Self Growth**”. The inaugural session started with a prayer song by Y.F. Abisha of III B.COM, and the welcome address was delivered by Dr. K. Varghese, Webinar Organising Secretary. The Felicitation was delivered by Dr. J. Johnson, Principal of AVC. Dr. M. Josephine Rani, HOD of Commerce Introduced the Resource Person.

The technical session was started by Dr. S. Maria John, Former Principal of AVC. He gave the lecture on the theme of “**Personal Development Goals Related to One’s Career and Self Growth**”. He pointed out the goal setting of students, need for goal setting and the time for goal setting and Personal Development.

60 students from our college and other Colleges students participated in the Webinar. The programme came to an end with a vote of thanks by Assistant Professor Dr. G. Jerin Rose.

Programme Co-Ordinator

ANNAI VELANKANNI COLLEGE

DEPARTMENT OF ENGLISH

Report of a Workshop on Creative Writing

on 19th November 2020

The department of English had organised a workshop titled 'Creative Writing' on 19th November 2020. The resource person for the workshop was Sahitya Akademi Award winner and writer of the novel *Thoopukaari* Ms. Malarvathi. The workshop was an online which began with a prayer song by the students. Ms. R. Cimla of II M.A (English) welcomed the gathering. The Head of the department, Asst. Prof. Dr. D. Joen Joseline introduced the resource person. It is worth mentioning here that this session is a part of the continuous series of workshops organized by the department of English, to support the academic and professional success of its students.

The resource person gave a brief talk on Creative writing. She focussed mainly on self creativity, which was an eye opener to the graduate students. The main goal of the talk was to provide the students with some tips and strategies on how to produce a piece of literature of their own creation. She stressed on the importance of nature and its role in creative writing.

The workshop came to an end with a vote of thanks by Mr. C. Charly, Asst. Professor, Dept. of English.

INTERNATIONAL E-CONFERENCE ON NANOSTRUCTURED MATERIALS

March 17 & 18, 2021

Organized by

RESEARCH DEPARTMENT OF PHYSICS

Resource Persons

Day 1

Session I 11.00 am -12.00 pm

Dr. JOHN V KENNEDY

Principal Scientist, National Isotope Centre, GNS
Science (Institute of Geological and
Nuclear Science), New Zealand Crown Research
Institute, New Zealand

*Topic : Nanostructured Thermoelectric Materials for
Energy Harvesting*

Session II 12.05 pm – 1.05 pm

Dr. S. BEER MOHAMED

Associate Professor, Department of Materials Science,
School of Technology, Central University of Tamil
Nadu, Thiruvavur

Topic : Nanotechnology and its applications

Day 2

Session I 11.00 am -12.00 pm

Dr.K.KAVIYARASU

Senior Scientist
University of South Africa

*Topic : Nanostructured Materials: Current Research and
Future Challenge*

Session II 12.05 pm – 1.05 pm

Dr. A. MUTHUKUMARAN

Associate Professor, Department of Biotechnology
School of Bio & Chemical Engineering
Kalasalingam Academy of Research and Education
Krishnankoil – 626126

*Topic : Selenium Nanoparticles in Cardiac Tissue
Engineering Applications*

OUR INSTITUTION

Annai Velankanni College, Tholayavattam, Kanyakumari District, was started in the year 1987. The College aims to train students according to progressive academic standard and also to prepare them for the role of future leaders dedicated in the Spirit of Jesus. In the formation of students the College intends to give great importance to the development of personal and intellectual integrity and to the application of ethical and humanitarian values.

THE DEPARTMENT

The Department of Physics is one among the established departments since its inception. Our Department offers B.Sc., M.Sc., M.Phil Programmes and Research Centre. The UG Department of Physics was started in the year 1988 and was upgraded to PG and M.Phil in the year 2011 and 2014 respectively. The sanctioned strength in UG is 48, PG is 28 and M.Phil is 9. Research Centre started in the year 2017.

THE CONFERENCE

The invention and development of novel materials for various technological applications have become one of the fastest developing fields of research in the past few decades. It has a multidisciplinary nature with tremendous potential to fabricate new devices with wide range of applications. The main objective of this conference is to create awareness on recent scientific happenings, activities and achievements in physics among the students, research scholars and faculty members.

Chief Patrons

Dr.M.Xavier James Raj, President, AVCAB
Rev.Dr.E.John Kulandai, Correspondent, AVC
Dr.Gladys Lily, Treasurer, AVCAB

Patrons

Dr.J.Johnson, Principal
Dr.S.R.Brintha, Vice Principal

Organizing Committee

Mrs.M.Latha Beatrice, HOD

Report on International E-Conference On Nanostructured Materials

17 & 18 March 2021

The seminar started with a prayer song. The welcome address is given Mrs.M.Latha Beatrice, HOD of Physics. The inaugural address is given Dr.J.Johnson, Principal, Annai Velankanni College, Tholayavattam. In the first session of 17-03-2021 Dr. JOHN V KENNEDY, Principal Scientist, National Isotope Centre, GNS Science (Institute of Geological and Nuclear Science), New Zealand Crown Research Institute, New Zealand talk on “Nanostructured Thermoelectric Materials for Energy Harvesting”. In the second session of 17-03-2021 Dr. S. BEER MOHAMED Associate Professor, Department of Materials Science, School of Technology, Central University of TamilNadu, Thiruvarur talk on “Nanotechnology and its applications”.

In the first session of 18-03-2021 Dr.K.KAVIYARASU, Senior Scientist, University of South Africa talk on “Nanostructured Materials: Current Research and Future Challenge”. In the second session of 18-03-2021 Dr. A. MUTHUKUMARAN Associate Professor, Department of Biotechnology School of Bio & Chemical Engineering Kalasalingam Academy of Research and Education Krishnankoil – 626126 given a talk on “Selenium Nanoparticles in Cardiac Tissue Engineering Applications”. In the feedback session the students asked the questions.

Report of Online webinar On Thin Film - Preparation and Characterization

The online webinar on “Thin Film - Preparation and Characterization” hosted by Research Department of Physics, Annai Velankanni College, Tholayavattam in collaboration with Sacred Heart College (Autonomous) started at 11.00am in the google meet platform on 25-05-2021. The webinar started with a prayer song. The welcome address is given Mrs.M.Latha Beatrice, HOD of Physics. The inaugural address is given Dr.J.Johnson, Principal, Annai Velankanni College, Tholayavattam. The felicitation address is given by Dr.James Xavier Raj, President Annai Velankanni College, Tholayavattam. The co-convenor Dr.A.Darlin Mary introduce the resource person Dr. A. Dhayal Raj, Assistant Professor, Sacred Heart College (Autonomous) Thirupattur, Tirupattur District-635 601

The resource person Dr. Dhayal, given an invite talk on “Thin Flim - Preparation and Characterization”. He explained the current situation of uses of thin films in various applications. She also gave clear cut idea to the students and staff the principle and concepts used in thin films. The students asked their doubt in the clarification session. Dr. Jose, convenor said vote of thanks to the Resource person.

Online feedback link and online e-certificate were sent to the participant. The online webinar ended at 12.30 pm
